

Colors: masculine/ feminine & plurals

Notice whether the noun (person, place or thing) is masculine or feminine. (PINK OR BLUE!)

Add the correct color adjective and make it the right GENDER (PINK or BLUE or GENDER NEUTRAL!)

Some colors do not end in "o", so they are not sensitive to feminine and masculine (gender-neutral).

To make a word plural:

If it ends in a **vowel**

add an "s"

If it ends in a **consonant**

add an "es"
