

Write a page about yourself

We will be establishing your baseline knowledge with this activity.

Do not use a dictionary, neighbor, vocab sheet on the first pass.

Leave a _____ with the English written underneath it when you are stumped.

Then, on a second pass, you can look things up and fill in the blank and have your “Oh-yeah” moments as you remember.

If my suggestions below do not cover your knowledge, go ahead and add discussion that you can. SHOW OFF! I want to get a good picture of what Spanish knowledge is knocking around between your *orejas*.

Spanish III/CIS

Saluda al lector (la persona que lee)

- Preséntate. (Name/age , description, likes/dislikes)
- La ropa. Tu ropa favorita, o la ropa que llevas hoy.
- Qué hiciste el verano pasado?
- La escuela. *Classes, first hour? Activities, sports, plans (gonna do) for the year.*
- Describe la fiesta perfecta del 4^o de julio.
- Usa los dos, SER Y ESTAR, en 4+ frases originales de ti, o de alguien.

For every area you covered of those assigned you get 4 points (24 total). I said I would not grade on errors, but on length and communication success. If you could NOT do this, let's talk.
